# We're a nonprofit, but not separately incorporated

- The Academy Software Foundation is part of the [the Linux Foundation](#) and is not a separate legal entity
- Therefore, the Academy Software Foundation Governing Board is not a corporate board of directors, and is not subject to corporate law statutes (e.g., those that govern fiduciary duties and how corporate boards of directors must operate)
- The powers and duties of the Governing Board are set forth in the [Academy Software Foundation Charter](#)

# Academy Software Foundation Structure

# Key Governing Bodies and Committees

- Business & Marketing Leadership
  - Governing Board (Governing Board)
    - Budget Committee
    - Legal Committee
  - Outreach Committee

    - You can review the TAC [meeting information and upcoming schedule](#) and join the mailing [list](#)
  - [Hosted Projects and Working Groups](#)

# Governing Board Responsibilities

# Governing Board Responsibilities

The Governing Board's responsibilities include:

- Approving the Academy Software Foundation budget, directing the use of funds to advance the mission of the Academy Software Foundation;
- Directing marketing and outreach efforts;
- Providing financial governance overall;
- Voting on other decisions that come before the Governing Board.

Additional responsibilities are described in [Section 3](#) of the Academy Software Foundation Charter.

# What the Governing Board is NOT responsible for

- The Governing Board does **not** make technical decisions for Academy Software Foundation other than working with the [TAC](#) to set the overall scope for the Academy Software Foundation.
- The Governing Board is **not** responsible for overseeing day-to-day operations of Academy Software Foundation. This is the responsibility of the foundation staff.
- The Governing Board is **not** a Board of Directors; it is a committee that provides budget oversight and direction. There are no personal liabilities for individual Governing Board representatives.

# Governing Board Operations

# Governing Board Composition

- The Governing Board voting members consist of:
  - One representative appointed from each Premier member; and
  - General member elected representatives (if any)
  - The TAC Chairperson
- See [Section 3\(a\)](#) of the Academy Software Foundation Charter for more information about composition.

# Succession Policy

- Maximum term for any Governing Board representative is 4 years.
  - Individuals may serve again on the Governing Board after a two year break between terms.
  - Individual may serve as an alternate during the two year break.
  - There are no lifetime term limits.
- Governing Board target goal of rotating 25% of Governing Board representatives on an annual basis.
  - If there are less than 25% of new representatives, the Governing Board may request longer tenured representatives to appoint a replacement.

# Governing Board Chairperson

Annually in January, the Governing Board will elect a chairperson to serve for the current year.

Duties of the Governing Board Chairperson include:

- Oversee the day-to-day operational decisions of the Academy Software Foundation.
- Work with the foundation staff to prepare the agenda for Governing Board meetings.
- Be a spokesperson for the Academy Software Foundation and the Governing Board, as needed

See [Section 3\(c\)](#) of the Academy Software Foundation Charter for more information about the chairperson role.

# Governing Board Treasurer

Annually in January, the Governing Board will elect a treasurer to serve for the current year.

Duties of the Governing Board Treasurer include:

- Serve as the chairperson of the Budget Committee
- Work with the foundation staff to prepare financial updates and reforecasts to the Budget Committee and Governing Board.
- Work with the foundation staff in preparing and leading the approval of the annual budget.

See [Section 3\(c\)](#) of the Academy Software Foundation Charter for more information about the treasurer role.

# Governing Board Meetings

# Meeting Cadence

- The Governing Board has monthly virtual regular meetings, generally on the fourth Thursday of each month.
- Format for the meetings alternates between a formal business meeting and strategy session
  - At the formal business meetings, voting will often take place.
  - For the strategy meetings, the Governing Board will align on a topic to discuss at the previous business meeting.
- Additionally, the Governing Board has two hybrid Leadership Meetings sessions per year (at Open Source Forum in February and Open Source Days in August).
  - TAC voting members and a representative from each General Member are invited to Strategy Sessions.
- In rare and exceptional circumstances (e.g., in an emergency situation), an additional ad hoc special meeting of the Governing Board may be convened.
  - To request a special meeting, please email your request to the Foundation Staff and Governing Board Chair, and they will decide whether a special meeting is necessary or the proposed agenda item can be discussed by email or at the next regular meeting.

# FY2025

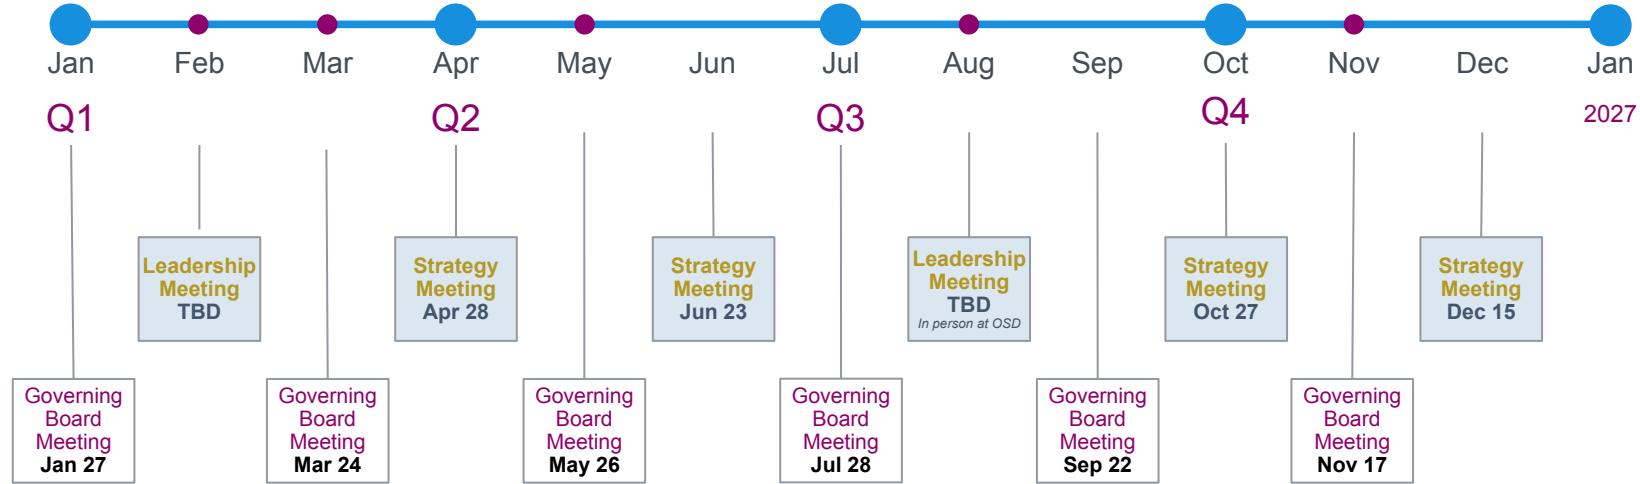

## Meeting Schedule

Future Meetings of the Governing Board for 2025 will be held at 1:00 pm US Pacific Time unless noted

# FY2026

## Meeting Schedule

Future Meetings of the Governing Board for 2025 will be held at 1:00 pm US Pacific Time unless noted

# How to propose an agenda item

- If you would like to propose an agenda item for discussion at a Governing Board meeting, please submit your proposal to the Academy Software Foundation Executive Director & the Governing Board Chair.
- Please include in your request:
  - A description of the topic
  - Board resolution or discussion-only item
  - Requested amount of time to discuss the item
- For a regular Governing Board meeting, please submit your proposed agenda item at least 10 days prior to the meeting.
- For a Strategy Session, please submit your proposed agenda item at least 30 days prior to the meeting.

# Proposing an agenda item (continued)

- Please be patient. Our board meeting agendas are often very full. If we cannot accommodate your request in the upcoming meeting we may:
  - Wait until the following meeting to discuss the topic
  - Call a special meeting to discuss your topic, or
  - Refer the topic to the appropriate committee or task force of the Governing Board.
- We may ask you to provide slides 5 days before the meeting, and slides are subject to change (with your approval) to fit the broader meeting slide deck.

# Governing Board Materials

- Agendas and Exhibits for Governing Board meetings will be made available one week prior to the scheduled meeting
  - The FINAL deck will be made available one day prior to the meeting.
- Past meeting materials can be found [here](#).
- All meeting materials are confidential and for the view of Governing Board representatives and their alternates ONLY, unless otherwise specified.
  - No meeting of the Governing Board is recorded unless the Governing Board provides explicit consent to do so.
