Academy Software Foundation Overview and Governance

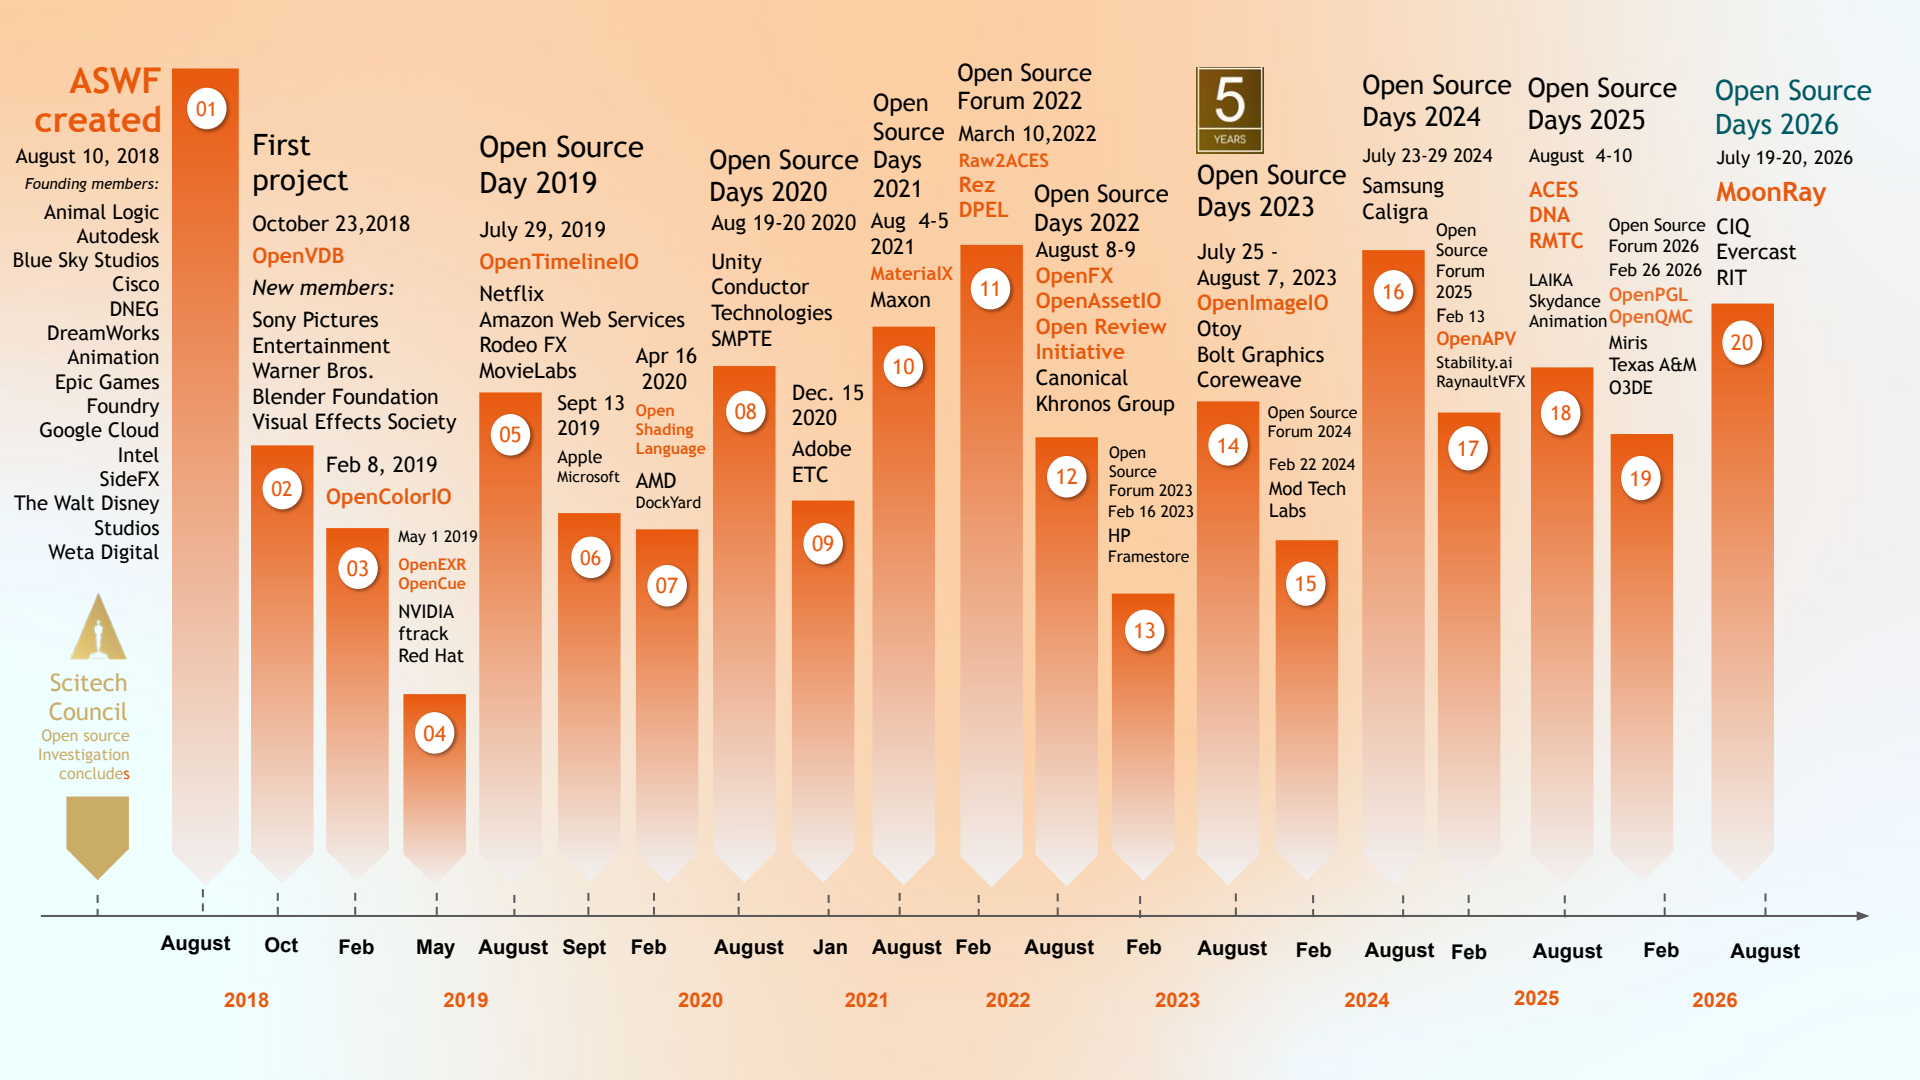

/* ACADEMY SOFTWARE FOUNDATION

An Open Source Foundation Developed in Partnership

The Academy Software Foundation provides a neutral forum for open source software developers in the motion picture and broader media industries to share resources and collaborate on technologies for image creation, visual effects, animation and sound.

We're a nonprofit, but not separately incorporated

- The Academy Software Foundation is part of the the Linux Foundation and is not a separate legal entity
- Therefore, the Academy Software Foundation Governing Board is not a corporate board of directors, and is not subject to corporate law statutes (e.g., those that govern fiduciary duties and how corporate boards of directors must operate)
- The powers and duties of the Governing Board are set forth in the Academy Software Foundation Charter

ASWF Structure

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

Key Governing Bodies and Committees

- Business & Marketing Leadership
  - Governing Board (Governing Board)
    - Budget Committee
    - Legal Committee
  - Outreach Committee
- Technical Leadership
  - Technical Advisory Council (TAC)
    - You can review the TAC meeting information and upcoming schedule and join the mailing list
  - Hosted Projects and Working Groups

Governing Board Responsibilities

Governing Board Responsibilities

The Governing Board's responsibilities include:

- Approving the Academy Software Foundation budget, directing the use of funds to advance the mission of the Academy Software Foundation;
- Directing marketing and outreach efforts;
- Providing financial governance overall;
- Voting on other decisions that come before the Governing Board.

Additional responsibilities are described in Section 3 of the Academy Software Foundation Charter.

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

What the Governing Board is NOT responsible for

- The Governing Board does **not** make technical decisions for Academy Software Foundation other than working with the TAC to set the overall scope for the Academy Software Foundation.
- The Governing Board is **not** responsible for overseeing day-to-day operations of Academy Software Foundation. This is the responsibility of the foundation staff.
- The Governing Board is **not** a Board of Directors; it is a committee that provides budget oversight and direction. There are no personal liabilities for individual Governing Board representatives.

Governing Board Operations

Governing Board Composition

- The Governing Board voting members consist of:
  - One representative appointed from each Premier member; and
  - General member elected representatives (if any)
  - The TAC Chairperson
- See Section 3(a) of the Academy Software Foundation Charter for more information about composition.

Governing Board Representative Characteristics

- Knowledgeable / has experience in technology and open source in the media and entertainment industry
- Has a point of view on the industry's future
- Is a strategic thinker
- Has previous board experience as a plus, but not necessary
- Is results-driven
- Is an effective communicator
- Is respectful of other points of view
- Is an influential and empowered decision-maker within their own organization
- Is able to create an environment within their organization for developing future ASWF leaders
- Is able to develop a Governing Board member pipeline within their own organization
- Has demonstrated willingness to contribute, to participate in board/committee activities
- Will advocate for the ASWF within their organization
- Is committed to make the ASWF as an organization and as a community more diverse

ACADEMY SOFTWARE FOUNDATION
#ASWF

Alternates Policy

- Premier and General member companies with appointed representatives on the Governing Board may appoint alternates.
- Alternates may attend all Governing Board meetings.
  - If the primary representative is present, the alternate may participate in listen-only mode and may not vote or speak.
  - Only if the primary representative is unable to attend the meeting, the alternate may speak and vote in lieu of the primary representative.
- At Strategy and Leadership Meetings (at which no voting occurs), both primary and alternate representatives may speak (the alternate does not need to participate in listen-only mode)

ACTION: To appoint your representative and your alternate, please file a request at members.aswf.io, and have the representatives create an LF ID.

You can change your representative at any time by making a request at members.aswf.io.

Succession Policy

- Maximum term for any Governing Board representative is 4 years.
  - Individuals may serve again on the Governing Board after a two year break between terms.
  - Individual may serve as an alternate during the two year break.
  - There are no lifetime term limits.
- Governing Board target goal of rotating 25% of Governing Board representatives on an annual basis.
  - If there are less that 25% of new representatives, the Governing Board may request longer tenured representatives to appoint a replacement.

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

Governing Board Chairperson

Annually in January, the Governing Board will elect a chairperson to serve for the current year.

Duties of the Governing Board Chairperson include:

- Oversee the day-to-day operational decisions of the Academy Software Foundation.
- Work with the foundation staff to prepare the agenda for Governing Board meetings.
- Be a spokesperson for the Academy Software Foundation and the Governing Board, as needed

See Section 3(c) of the Academy Software Foundation Charter for more information about the chairperson role.

Governing Board Treasurer

Annually in January, the Governing Board will elect a treasurer to serve for the current year.

Duties of the Governing Board Treasurer include:

- Serve as the chairperson of the Budget Committee
- Work with the foundation staff to prepare financial updates and reforecasts to the Budget Committee and Governing Board.
- Work with the foundation staff in preparing and leading the approval of the annual budget.

See Section 3(c) of the Academy Software Foundation Charter for more information about the treasurer role.

Governing Board Meetings

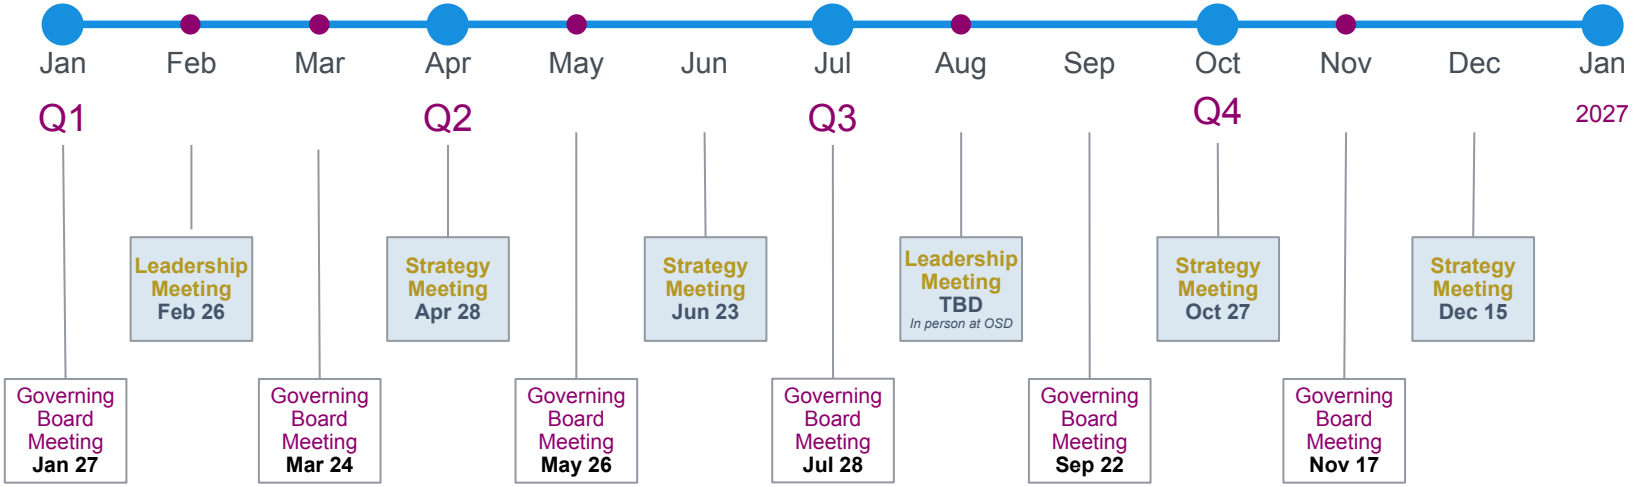

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

Meeting Cadence

- The Governing Board has monthly virtual regular meetings, generally on the fourth Thursday of each month.
- Format for the meetings alternates between a formal business meeting and strategy session
  - At the formal business meetings, voting will often take place.
  - For the strategy meetings, the Governing Board will align on a topic to discuss at the previous business meeting.
- Additionally, the Governing Board has two hybrid Leadership Meetings sessions per year (at Open Source Forum in February and Open Source Days in August).
  - TAC voting members and a representative from each General Member are invited to Strategy Sessions.
- In rare and exceptional circumstances (e.g., in an emergency situation), an additional ad hoc special meeting of the Governing Board may be convened.
  - To request a special meeting, please email your request to the Foundation Staff and Governing Board Chair, and they will decide whether a special meeting is necessary or the proposed agenda item can be discussed by email or at the next regular meeting.

FY2026
Meeting Schedule

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

Future Meetings of the Governing Board for 2026 will be held at 1:00 pm US Pacific Time unless noted

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

How to propose an agenda item

- If you would like to propose an agenda item for discussion at a Governing Board meeting, please submit your proposal to the Academy Software Foundation Executive Director & the Governing Board Chair.
- Please include in your request:
  - A description of the topic
  - Board resolution or discussion-only item
  - Requested amount of time to discuss the item
- For a regular Governing Board meeting, please submit your proposed agenda item at least 10 days prior to the meeting.
- For a Strategy Session, please submit your proposed agenda item at least 30 days prior to the meeting.

Proposing an agenda item (continued)

- Please be patient. Our board meeting agendas are often very full. If we cannot accommodate your request in the upcoming meeting we may:
  - Wait until the following meeting to discuss the topic
  - Call a special meeting to discuss your topic, or
  - Refer the topic to the appropriate committee or task force of the Governing Board.
- We may ask you to provide slides 5 days before the meeting, and slides are subject to change (with your approval) to fit the broader meeting slide deck.

Governing Board Materials

- Agendas and Exhibits for Governing Board meetings will be made available one week prior to the scheduled meeting
  - The FINAL deck will be made available one day prior to the meeting.
- Past meeting materials can be found here.
- All meeting materials are confidential and for the view of Governing Board representatives and their alternates ONLY, unless otherwise specified.
  - No meeting of the Governing Board is recorded unless the Governing Board provides explicit consent to do so.

Discussion Channels

Relevant Mailing Lists

- Governing Board: board@lists.aswf.io
- TAC: tac@lists.aswf.io
- Budget Committee: budget@lists.aswf.io
- Legal Committee: legal@lists.aswf.io

Slack Channel

- You can join Academy Software Foundation slack here.
- To join the Governing Board slack channel, make a request at members.aswf.io.

Governing Board Committees

/* ACADEMY SOFTWARE FOUNDATION
#ASWF

Budget Committee

- The Budget Committee is lead by the Governing Board Treasurer and collaborates with the Academy Software Foundation staff to develop and review the Academy Software Foundation budget.
- Any Governing Board representative may join (not alternates)
- Meets generally monthly on the Monday of the week before the Governing Board meeting

ACTION: If you want to participate in the Budget Committee, make a request at members.aswf.io.

Legal Committee

- The Legal Committee makes recommendations to the Governing Board regarding license exception requests from Academy Software Foundation projects and other questions submitted to the Legal Committee by the Governing Board.
- The Legal Committee does not represent Academy Software Foundation and does not have an attorney-client relationship with Academy Software Foundation.
- Meets on an as needed basis.
- Governing Boards may attend only if accompanied by their legal counsel.

Policies and Other Resources
